The previous Treasurer (Joe Desiletes) has not provided previous records to me including the detailed records I would need to file an accurate report including bank statements from a closed bank account. I have provided as complete information as possible given the limited details available to me.

As the new treasurer of Team America PAC I will cooperate fully in any capacity that the FEC deems necessary in order to provide full and complete records and compliance with Federal Election Laws.

Sincerely,

Tom Bjorklund
